First, he hired a marketer for his social media. Smart, but...

Utkarsh Shrivastava

He ran two pages with the same content. The salon page was hard to grow because of competition.

We found an IP

celeb reviews.

50,000 to 100,000 views every other reel.

Result

0 to 12,000 followers. 3 IPs that perform. 1 salon became 2.
