Mistake 1

They do it alone. ChatGPT scripts. Copying reels. Guessing the strategy.

The best results I've seen came from founders who trusted the team fully.

Mistake 2

They want a perfect start. Perfect camera. Perfect voice. Perfect look.

Utkarsh Shrivastava

Nobody is watching early. Only your close people. There is nobody to judge you.

Mistake 3

No commitment. Content is a long game. It won't work like magic on day 15.

Utkarsh Shrivastava

You post 45 reels and get 100 followers and the Reel no 46 can bring 20,000.
